RE: ADMINISTRATIVE MODIFICATION #08-54 TO THE  
2008 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM (RTIP)

Dear Ms. Falsetti:

The Southern California Association of Governments (SCAG) is transmitting Administrative Modification #08-54 for a project in Los Angeles County. The projects meet the administrative modification criteria provided by the federal funding agencies with their letter dated November 17, 2008.

SCAG certifies that this project is not included in any other amendment that is currently open for public review.

The project included in this amendment has demonstrated it satisfies the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e)(2)(ii). Therefore, SCAG through its function as the designated Metropolitan Planning Organization (MPO) has found the attached project to conform to the applicable State Implementation Plan and to be consistent with the 2008 Regional Transportation Plan (RTP). The update of these projects does not impact the conformity analysis or the financial constraints of the FY 2008 RTP.

If you have any questions, please contact Rosemary Ayala of my staff at (213) 236-1927 or via e-mail at [ayala@scag.ca.gov](mailto:ayala@scag.ca.gov).

Sincerely,

Hasan Ikhrata  
Executive Director
